KRISTER EVERTSON NOTICE OF FILING ERRATA

Appellant Krister Evertson, Pro Per, notifies the Court of an erratum in my Appellant Reply Brief, filed on January 5, 2022. The following error was noticed before filing the bound copies of the Appellant's Reply Brief. As corrected, the inadvertently omitted facts and argument paragraph referenced by footnote 2 on page 11 of my filed Reply Brief was included in the Reply Brief printed copies. The inadvertent omission of the facts and argument paragraph was not noticed until after receiving the January 10, 2022 NOTICE OF ERRATA by FNBA. As corrected, the inadvertently omitted paragraph referencing the incorrect statements by FNBA on page 7, footnote 13 of their Appellee Brief are included in my Reply Brief printed copies on page 11. FNBA incorrectly stated in their December 1, 2021 filed Appellee's Brief page 7, footnote 13 that I did not allege forgery in my Case No. 3PA-20-01374CI.

FNBA's NOTICE OF ERRATA filed on January 10, 2022 contained another error in their Appellee's Brief "corrected page 7, footnote 13." FNBA stated I did not allege the theory of a forged deed in Case No. 3PA-18-01374CI. I addressed this additional new error as well.

Dated this 20th Day of January, 2022.
